The Silver Lake Management District will be holding a public meeting on Saturday, Nov. 9 at 10 a.m. at the Town of Marion Town hall to discuss what is needed to update the District's Aquatic Plant Management Plan and to obtain the permits necessary to deal with the Hybrid Eurasian Water Milfoil that is growing so profusely in Silver Lake.

Representatives from Stantec, consultant for the district, will present their plan and answer questions. An Aquatic Plant Management survey will be available at this meeting and also online at www.surveymonkey.com/s/BigSilverLake\_APM\_Survey. There is also a link to this survey posted on the Town of Marion website at www.townshipofmarion.com. Click on the Lake Districts tab and then on Silver Lake.

Anyone who uses Silver Lake is invited and encouraged to complete the survey. Please complete the survey by Dec. 15. If you wish to be mailed a survey, contact Dale Schulman at 920-787-7361.

The Marion Town Hall is located at N1279 County Road Z. Take County Highway F to Spring Lake, then go north on County Z about 200 yards.
