The Waushara Chamber of Commerce and City of Wautoma would like to welcome the band "B ourbon Cowboys

" to the Music in the Park this Thursday evening, Aug. 8.

The Bourbon Cowboys are a collection of musicians from Central Wisconsin bringing many cumulative years of experience together to form one high energy collaboration.

They play a wide variety of music that is as diverse as the crowds they like to entertain. From Bon Jovi to ZZ Top, across genres from Aldean to Yoakam, then just when you think you've got them figured out, they relax you with some Buffett and rock the house with Stevie Ray Vaughn. The Bourbon Cowboys are sponsored by Office Outfitters of Waupaca.

The evening begins with local performers, the Wautoma Barber Shop Quartet, "Sour Do," beginning at 6 p.m. at Bird Creek Park in Wautoma followed by the Bourbon Cowboys from 7 to 9 p.m. Bring your family and your lawn chairs and come enjoy the music. Refreshments provided by Encore of Wautoma. There is no admission for the event. In case of rain, tune to WAUH 102.3.
