Final performance for Neshkoro's Music in the Park

The 14 performances began on June 7 with Tuba Dan and ended with the choir on Aug. 23. Well over 600 people attended the concerts over the summer months. The Neshkoro Enhancement Committee organized the concerts. All proceeds from the event go to the restoration and beatification of the Village of Neshkoro.

The concerts will return in June of 2014 and a new schedule will be announced in early 2014 for those interested in attending.

Visitors from throughout the state and two foreign countries (Italy and Germany) attended this year. The organizers wish to extend their gratitude and appreciation to all who attended and donated to the success of the event.
